

WHAT NOT TO MISS

CHROMA

Location: The paddock, Thursday, Friday & Saturday at 2pm.

Visit the Chroma stand for a comprehensive seminar on battery safety. Comprehensive data and very impressive video footage will be presented to demonstrate the superior thermal behaviour of battery containers that are equipped with new material compared to standard units.

MERCEDES HPP AMG

Location: The paddock; F1 Display

Come and see the current MERCEDES AMG PETRONAS F1 showcar in the paddock and talk to the Mercedes HPP team about the vehicle.

MG

Location: Paddock

Come and visit the MG stand in the paddock to see an MG racing car

IMECHE

Location: The Paddock

Come and visit the IMechE to stand to find out about the Institution's news.

BOSCH

Location: The Paddock

Bosch Motorsport UK, part of Bosch Engineering GmbH will be exhibiting a variety of motorsport components. Honda Yuasa Racing's BTCC show car will be showcased, fitted with the latest motorsport dash display, the DDU7. Bosch engineers will be present throughout the event.

AERO TECHNOLOGIES LTD

Location: The Paddock, Friday 17.45

Visit the ATL area in the paddock at 17:45 on Friday to hear from FS Alumni how you can turn your Formula Student experience into a career.

GKN

Location: The Paddock, Thursday-Sunday, 10am-3pm

GKN's interactive driveline challenge will be running from 10am until 3pm each day from Thursday to Sunday, with the chance to win an iPad Mini each day. Please call in and see us at our stand in the Paddock to enter and test your skills against your peers.

HOOSIER

Location: The Paddock

Hoosier will be providing a tyre fitting service from Thursday to Sunday

JAGUAR LAND ROVER

Location: The Paddock

Visit Jaguar Land Rover for a range of lectures including information on Graduate programmes. For a timetable or more info please see the information point in Event Control or the Jaguar Land Rover marquee. There is also the opportunity to drive the JLR Terra Pod obstacle course; learn how you cope with off road!

PTC

Location: Paddock, Friday, Saturday & Sunday

Visit the PTC stand in the paddock and enter a raffle taking place on Friday, Saturday and Sunday, for your chance to win an Xbox One with Kinect.

Come and visit these companies in Event Control!
