# ENERGY 2016: RISK, RESILIENCE AND CYBER SECURITY OF GLOBAL SUPPLIES

# Institution of MECHANICAL ENGINEERS

21 June 2016 Part of International Festival for Business 2016 Exhibition Centre, Liverpool, L3 4FP

Conference, Knowledge Transfer

More details available at www.imeche.org/energy2016

#### **KEY SPEAKERS INCLUDE:**

Samuele Furfari, Advisor to the Director General for Energy, **European Commission** 

Tom Baer, Deputy Director, National Cyber Security and Communications Integration (NCCIC), **US Department of Homeland Security** 

os Department of Homerand Security

Suleman Alli, Director of Strategy and Regulation, **UK Power Network** 

Julian Leslie, Electricity Network Development Manager, **National Grid** 

## WHY ATTEND ENERGY 2016: RISK, RESILIENCE AND SECURITY OF GLOBAL SUPPLIES

21 June 2016, Exhibition Centre, Liverpool

# 6677

DELEGATES WILL COME AWAY FROM THIS ONE-DAY CONFERENCE WITH A FULL UNDERSTANDING OF THE INTERNATIONAL PERSPECTIVES ON THE GLOBAL CHALLENGES BEING FACED WITHIN CYBER SECURITY, SECURITY AND RESILIENCE, AND HOW GLOBAL ENERGY STAKEHOLDERS CAN PREPARE FOR THE FUTURE.

This one-day event, taking place as a part of the International Festival for Business 2016, will feature thought-provoking presentations and discussions addressing the long term strategy for international energy security and resilience.

Energy markets globally are going through a significant period of change and are consistently impacted by many external factors – including government intervention and cyber threats.

Energy 2016: Risk, Resilience and Cyber Security of Global Supplies will bring together key industry figures to discuss the global challenges being faced with security and resilience, and how global energy stakeholders can prepare for the future.

#### **KEY TOPICS INCLUDE:**

- The security of supply across the wider energy supply chain
- How the energy mix is changing now and how to manage now and in the future
- Preparing for possible energy gaps
- The timescales, technologies and trends for nuclear power plant deployment
- The need for investment and what happens after government incentives end
- The threat to infrastructure and how the industry is enhancing cyber resilience

#### **ATTEND ENERGY 2016 TO:**

- Hear from the European
   Commission's Advisor to the
   Director General for Energy on the security of supply at the core of the Energy Union
- Learn how the energy mix is changing, where it is evolving and how it can be managed now and in the future
- Take-away international perspectives on security and resilience within the wider energy industry
- Discuss the possible energy gaps with existing and new infrastructures and the timescales, technologies and trends for nuclear power plant deployment
- Review the need for **investment**, how government incentives are supporting and what happens next
- Understand the threats to infrastructure and how the industry is enhancing cyber resilience
- Network with senior industry professionals and discuss the key findings from the conference

#### WHO SHOULD ATTEND?

Energy industry professionals from across the globe, from director to developing engineer. Specifically, Heads, Directors, Managers and Engineers involved in the following are highly recommended to attend Energy 2016:

- Planning
- Project engineering
- Structural analysis
- Power station operation
- Investment delivery engineering
- Strategy and regulation
- Electricity network development

#### HOW TO BOOK YOUR PLACE

#### **FEES AND CHARGES**

Registration fees include entry to the sessions, refreshments, select conference presentations.

Fees and charges	Standard Rate	TOTAL
Standard Rate	£299.00 + VAT	£
Member/Academic rate	£199.00 + VAT	£

#### THREE WAYS TO BOOK

1 Online:

www.imeche.org/energy2016

2 Email

eventenguiries@imeche.org

3 Phone

+44 (0)20 7973 1251

Please read the information listed below as each booking is subject to the Institution's standard terms and conditions.

#### CONDITIONS OF BOOKING

Completed application forms should be returned to the address above, along with the correct payment. Attendance at the event will be confirmed on receipt of the full balance. All participants are advised to bring a copy of their confirmation with them on the day, to ensure the fastest possible entry.

#### SPECIAL REQUIREMENTS

Please inform us of any special requirements, ie dietary or access, on the relevant section of this form.

#### CANCELLATION

For a refund (minus £25+VAT admin charge), cancellations must be received at least 14 days prior to the event. Replacement delegates are welcome at any time. The Institution reserves the right to cancel any event. In this case, the full fee will be refunded unless a mutually convenient transfer can be arranged. In the event that the Institution postpones an event for any reason and the delegate is unable or unwilling to attend on the rescheduled date, they will receive a full refund of the fee paid.

The Institution is not responsible for any loss or damage as a result of a substitution, alteration or cancellation/postponement of an event. The Institution shall assume no liability whatsoever if this event is cancelled, rescheduled or postponed due to a fortuitous event, Act of God, unforeseen occurrence or any other event that renders performance of this conference impracticable, illegal or impossible. For the purposes of this clause, a fortuitous event shall include, but not be limited to: war, fire, labour strike, extreme weather or other emergency. Please note that while speakers and topics

were confirmed at the time of publishing, circumstances beyond the control of the organisers may necessitate substitutions, alterations or cancellations of the speakers and/or topics. The Institution reserves the right to alter or modify the advertised speakers and/or topics if necessary without any liability to you whatsoever. Any substitutions or alterations will be updated on the event's webpage as soon as possible.

#### LIABILITY

The organisers do not accept liability for any injuries or losses of any nature incurred by delegates and/or accompanying persons, nor for loss or damage to their luggage and/or personal belongings.

#### **CONFERENCE VENUE**

International Festival of Business Hall 1, Exhibition Centre, Kings Dock St, Liverpool Waterfront, Liverpool, L3 4FP

Please contact the Liverpool Convention Bureau team to discuss your accommodation requirements on Tel +44 (0) 151 600 2996 or email conferences@visitliverpool.com

#### SPONSORSHIP & EXHIBITION OPPORTUNITIES

#### **GET INVOLVED**

Attending this event as either an exhibitor or sponsor will give you the opportunity to display your solutions, services and products to the right people at the right time.

This is an excellent way to enhance your company profile and communicate effectively to your target audience.

#### BENEFITS OF SPONSORING

- Showcase new products
- Raise awareness of your operation
- Improve perception of your brand
- **Influence** other organisations' spending plans

## FORWARD THINKING

We are the market leader among professional engineering bodies. We've been supporting engineers since 1847 and have 111,000 members in over 140 countries, working in the world's most dynamic and important industries. Our comprehensive events programme brings you the latest research and best practice from industry and academia.

#### OTHER EVENTS TO LOOK FOR

### ESSENTIAL MANAGEMENT SKILLS

20-22 April 2016,

University of Warwick, Coventry
Improve your ability to manage yourself,
projects and teams as well as motivate you
to take control of your own development.

imeche.org/ems

## VIBRATIONS IN ROTATING MACHINERY

13-15 September 2016,

University of Manchester, Manchester Redefining the challenges in rotordynamics, rub, whirl instability and more with international, industrial and academic experts, manufacturers and researchers

www.imeche.org/VIRM

The Institution of Mechanical Engineers organise over 120 events a year, including free to attend lectures as well as conferences, seminars, annual luncheons and dinners. Please visit www.imeche.org/events for the complete list of events.
