

50TH ANNIVERSARY OF THE 'JOST REPORT'

Organised by

Institution of
**MECHANICAL
ENGINEERS**

2 March 2016

One Birdcage Walk, London

FREE AND OPEN TO ALL

Presented by:

**Eminent experts in the field
of measurement and tribology**

50TH ANNIVERSARY OF THE 'JOST REPORT'

2 MARCH 2016

THIS MARCH SEES THE 50TH ANNIVERSARY OF THE GROUND BREAKING 'LUBRICATION (TRIBOLOGY) EDUCATION AND RESEARCH' REPORT, COMMONLY KNOWN AS 'THE JOST REPORT.'

This celebratory seminar will trace key developments in tribology over the last 50 years since this seminal report was published, as well as look at how the past can help shape the future of the industry.

PROF H PETER JOST CBE
Chairman of the DES Committee that
produced the 'Jost Report' in 1966

PROGRAMME

13:30	Registration in the Marble Hall
14:00	Introduction
14:10	Session 1 Chair: Professor Ian Sherrington, Director of the Jost Institute, School of Engineering, University of Central Lancashire <ol style="list-style-type: none">1) Hugh Spikes - EHL/ Boundary lubrication2) Philippa Cann - Bio-tribology3) Kenneth Holmberg - Friction and energy saving
15:30	Session 2: Chair: Martin Priest 50th Anniversary Chair - Professor of Tribology. Associate Dean for Research and Knowledge Transfer, Faculty of Engineering and Informatics, University of Bradford <ol style="list-style-type: none">4) Mark Gee – Measurement in tribology5) Michel Fillon – Hydrodynamic lubrication
16:10	Session 3: Chair: Rob Dwyer-Joyce, Professor of Lubrication Engineering in the Department of Mechanical Engineering, Sheffield University Speakers to be confirmed
16:30	End of Seminar
